ABOUT

MN Agencies Sdn Bhd (899613-K) specialise in a high standard of quality and professional services. Our personal and dedicated services are customised and individually tailored to suite your different requirement. The true strength of our company stemmed from a reputation of integrity and quality, in-depth knowledge of the industry and notable record nurtured and builds over the last few years in the services industry.

We are specialize in Logistics, Shipping, Forwarding, Haulage, Warehouse and Manpower Supply across Malaysia and Asia. Our staff commitment will ensure customer satisfaction and company growth. Inspired to be an ultimate logistics provider in the region, the company invested million Ringgit Malaysia to acquire prime movers and trailers to commit our delivery for customer. Towards our goals as a committed company in southern region, we aim to achieve maximum efficiency at every stage of operation to save time and cost of operation and to achieve valued added services which create 'win-win' solution with our customers.

Noor Adli bin Adam was born in 1976, and Mahathir bin Abdullah was born in 1978. Both served as the Directors of MN Agencies Sdn Bhd, the logistics company incorporated just few years in this role, they oversaw all of the company business operations in the region especially on Customs liaison, trading, transport, freighting, forwarding and shipping.

With a combined experience of more than 20 years in the industries, they were successfully grow the company turnover from RM 100,000 in 2010, to more than RM 2,400,000 in 2016. By restructuring the customers, vendors credit facility and aggressive marketing, they manage to reducing risk on the Company's balance sheet and freeing up capital to invest in the newly container haulage transportation in the southern region.

**VISION & MISSION****VISION**

Our mission is to design, build and implement innovative, profitable and sustainable products and services that help our customers meet consumer and industrial demands globally and irrespective of fulfillment channels.

MISSION

MN Agencies Sdn Bhd seeks to be a premier, profitable provider of global supply-chain services to help enable sustainable trade and commerce in key markets and regions. We will accomplish this by investing in our people, our facilities and in technology. We will continue to build and nurture a culture promoting challenge, inquiry and a continual focus on the customer.

**CORE VALUES****VISION OUR WORK IS HEAVILY SHAPED BY OUR CORE VALUES****Building People Who Build Our Business**

We believe that success is nurtured from within. By encouraging a positive, open-minded, and close-knit culture in our communications, we create an ecosystem that allows our employees to thrive. By empowering them with care, trust and knowledge, our employees take greater pride in what they do and that is what drives our business to success.

We Listen and We Act

Effective communication is at the heart of our service. We pride ourselves on genuine and efficient interactions with our clients and partners that enables a positive experience during engagement of our service(s). The supply chain environment constantly evolves and we are committed to support our clients through any challenge or uncertainty.

Steered by Passion

We are a team of passionate individuals that embraces change and improvement that comes in the course of our business. Because of this innate calling to serve, it drives us to optimise our operational excellence at every segment of our business process, and provide a seamless service for our clients and partners.

Powered by Purpose

Motivated by a bigger purpose to supply chain excellence, we adopt a lifelong learning approach to meet the demands of the industry. With globalisation and constant improvements to the supply chain, we are trained to be up-to-date with the latest technology, innovations, trends and changes in all-matters with regard to custom regulations and freight forwarding.

SERVICES**Forwarding**

We take pride to having staffs who are well versed with the customs tariff nomenclature, regulations and procedures. As is the adage, " The Custom protects, Consignee saves", clearly indicate that our clients best interests are always in our mind.

We have been in the freight forwarding services many years, providing logistics to large and small companies. From government agencies to small medium enterprises, we are here to serve our beloved customers.

Our forwarding services including :

- Custom formality at all custom terminals
- Assist in the application of government permits
- Responsible to ensure import and export according to custom procedures and law
- Custom representatives for both shipper and consignee
- Arrangement for fumigation, SGS inspection and reports
- Various commodity range
- DG Services
- Local transport arrangements

- Insurance

SERVICES**Air Freight**

Air freight shipment delivery is the transfer and goods on board via an air carrier, which will be charter or commercial. For the past few years airfreight is seen as an efficient means to ship nationally and internationally with a shorter transit time.

We will be able to determine the most reliable and cost-effective means for using air freight options to coordinate commercial, individual and dangerous goods deliveries. Apart of local freight forwarder, we can negotiate the vast array of options and determine the most applicable means to ensure expedient and on-time delivery.

Our air freight services including :

- Direct booking on the available flight
- International air freight
- Across worldwide cargo services
- Consolidated bookings taking into account dateline
- Competitive rate to and from any destination worldwide
- Collection and delivery service
- Warehouse and storage
- Packing
- Full documentation
- Insurance

SERVICES**Sea Freight**

For centuries ocean freight is the most common mode of transport that importers and exporters use. In fact, most of goods is shipped by ocean freight either through FCL or LCL.

We pride ourselves to provide timely response with effective solutions based on your international shipping needs from the comfort of your workplace.

We will be able to provide insights into local regulations and policies, to step-by-step monitoring and ensure shipment arrived on time and safely at destination.

Our sea freight services including :

- Full container load (FCL)
- Less than container load (LCL)
- Non-containerised service
- Buyer's consolidation service
- Break bulk
- Special equipment and conventional services
- Competitive cross trade rates
- Collection and delivery service
- Warehouse and storage
- Packing
- Full documentation
- Marine cargo insurance
- Door to door delivery import and export worldwide

SERVICES**Transportation**

Our expertise in overland freight transport in Malaysia provides you with the benefit of our extensive network. Encompassing both road and rail transport, we will ensure your cargo arrives on-time and safely.

From one parcel to managing your entire overland supply chain, we can provide the quality solution that matches your requirements and exceeds the expectations of your most demanding customers. We combine our own extensive fleet of overland assets and drivers to ensure on-time delivery across borders.

Our extensive expertise and network also ensure that we obtain competitive rates which we will pass on to you. Coupled with our expertise in global air and sea freight, we specialize in providing industry leading door-to-door solutions both local and international.

In addition to ensuring reliability, our tracking systems ensure you will always be informed on the status of your cargo. Our overland transport in Malaysia delivers efficiency, safety and complete transparency.

SERVICES**Manpower Supply**

We are expertise to supply local and foreigner manpower for various different field in manufacturing, construction, oil and gas, agriculture, plantation, and services. Our aim is to lead the industry of local workforce services and foreign worker recruitment.
